Profile Content

Dr. Brilliant Ncube is a self-made business leader and forward-thinking entrepreneur who has built a reputation for transforming vision into reality through disciplined strategy and execution. With a sharp ability to identify opportunities at grassroots level, he recognises the interconnected drivers of value within markets and organisations, and skillfully weaves them into scalable, impactful ventures.

His business interests span multiple critical sectors, including insurance, funeral services, healthcare, property, information technology, professional services, security, skills development, furniture, food outlets, beauty and therapy, as well as mining—particularly gold exploration and refining. Through this diversified portfolio, he actively contributes to sectors that are fundamental to economic growth and national development.

An innovative and intuitive strategist, Dr. Ncube combines big-picture thinking with strong financial acumen, enabling him to drive measurable business performance while maintaining sustainable growth. He is widely respected as a credible voice in decision-making and governance, consistently earning a seat at the table in high-level engagements.

A master collaborator, he has successfully partnered with governments, corporations, and private stakeholders to structure and deliver high-value initiatives. His leadership style is both inspirational and practical—he communicates vision in a way that mobilises action while remaining grounded in operational and financial realities.

At the core of his work is a deep commitment to society. Dr. Ncube actively reinvests into communities through his businesses and personal initiatives, reflecting a belief that true success lies not only in profitability, but in meaningful and lasting impact.

INSURANCE

Kingdom Blue is a licensed and authorized Financial Services Provider

Insurance is an important financial tool that helps individuals and businesses protect against potential financial losses. Kingdom Blue Funerals has a sister company in Zimbabwe and Botswana also trading as Kingdom Blue Funerals. The two work hand in glove in making sure clients' satisfaction is achieved. Kingdom Blue funerals Zimbabwe won the Best Funerals Director for the year 2022 and was nominated for two other awards. This on its own shows that the organisation is delivering its promises to the clients it services.

KingdomBlue

FUNERALS

Izulu Elihle Funerals is another compassionate and trusted funeral service provider owned by Brilliant. It is dedicated to offering dignified, respectful, and culturally sensitive burial services. With a heartfelt commitment to easing the burden of bereavement, Izulu Elihle Funerals walks hand-in-hand with families through every step of the funeral process.

The company offers a wide range of services including funeral planning, coffin and casket supply, body preparation and repatriation, hearse hire, and grave-side arrangements. Known for professionalism, reliability, and spiritual understanding, Izulu Elihle ensures that every life is honoured with dignity, and every ceremony reflects the wishes and values of the departed and their loved ones.

With branches in key regions and a growing reputation for excellence, Izulu Elihle Funerals continues to be a pillar of support in communities during their most difficult times, providing peace of mind and a celebration of life that is memorable and meaningful.

PROPERTIES

Premier Properties is a dynamic real estate company specialising in residential, commercial, and investment property solutions. With a reputation for excellence, integrity, and innovation, Premier Properties is committed to delivering tailored real estate services that meet the evolving needs of clients across various markets.

The company's core operations include property sales, rentals, property management, and real estate consulting. Premier Properties prides itself on deep market knowledge, strong negotiation skills, and a client-focused approach that ensures value creation and long-term partnerships.

Whether helping families find their dream homes, guiding investors through profitable opportunities, or managing diverse property portfolios, Premier Properties remains a trusted name in the real estate sector. The company continues to grow, driven by a passion for quality, service, and sustainable development.

PROPERTIES

Mazheke Properties is a dynamic player in the real estate sector, specialising in the ownership, management, and development of residential rental properties. The company prides itself on maintaining a high standard of living space for its tenants, with a strong focus on sustainable property management and long-term value creation. Its portfolio includes a well-established complex that hosts residential tenants, providing safe, modern, and conveniently located spaces that meet the evolving needs of urban dwellers and small businesses alike.

FITNESS

In the health sector, Dr Brilliant has established Brilliant Health Group which houses Brilliant Fitness which is a gymnasium company and Brilliant Hair Salon. At Brilliant Fitness, you do not just feel like you are part of a gym, you feel like the gym is part of you. The gym was built on a belief that exercise should be exciting, fun and accessible to people from all walks of life. Hence Brilliant created a gym that one becomes proud to be part of, with affordable membership, a community atmosphere, unique classes, and custom built fitness equipment. Brilliant Fitness prides itself on its passion and experience as the authority in bodybuilding and fitness. It aims to inspire members with unrivalled energy and fulfil the ultimate gym experience.

Since it was established, it has helped countless people get bigger, get stronger, get leaner, get fast. Its friendly and knowledgeable staff are always on hand to show you the way. Brilliant Fitness caters for Personal Training, Powerlifting and Bodybuilding and can give you fantastic dieting advice. It prides itself on its inclusive atmosphere where everyone is welcome.

BEAUTY

To say Dr Brilliant Ncube is a hair dresser by Profession would sound like someone is telling a folktale. A journey of a thousand miles begins with one step and it is safe to say Brilliant's journey to success started back in the days when he was still a hair dresser. It is out of hair dressing that his other establishments came to life hence Brilliant hair salon is the MOTHER of all the well established businesses that Brilliant own. Brilliant Hair Salon believes that clients and their individual needs come first. In an industry flooded with new products and procedures, Brilliant Hair Salon makes it a must that health and safety are never compromised. Its stylist and technicians do their utmost to provide high quality service and work with each client to find the right treatment for every concern a client might have. Moreover, at Brilliant Hair Salon they strive to make all clients feel special by understanding their styling needs and personality. Their culture of hair dressing embodies meticulous training in a creative environment combined with on trend styling and innovative thinking.

FURNITURE

Woodsquare is another Dr Brilliant's brainchild which is globally known for creating distinguished and comfortably luxurious furniture, interiors, coffins and caskets. Woodsquare supplies Kingdom Blue Funerals with coffins and caskets and supplies other Brilliant's establishments with high end furniture in the offices. At Woodsquare, projects are completed following customers' tastes and wishes, as well as the requirements of the space, without being bound by any standards. The experienced team of designers, interior architects, decorators, and skilled artisans are there to deliver on clients' satisfaction.

PROFESSIONAL SERVICES

Dr Brilliant also owns Business Magnet Council (BMC) which plays an advocacy role for the financial growth of business owners to ensure the accelerated participation of their businesses in the mainstream economy.

As per the norm, business development is crucial to the future of any operating business and the communities we serve; therefore, it is crucial that we ensure their sustainability and as such it is our duty to effectively assist Businesses to develop and grow. BMC serves as the pillar of hope and support for beleaguered business owners who are faced with obstacles daily in their quest to run sustainable enterprises that have transformative and powerful impacts on the economy. Consequently, to ensure that Businesses owners have every opportunity for growth, success, and profitability, the goal BMC is to provide meaningful programs and support to assist Business Owners with their ongoing successes and challenges and make sure there is business growth and infrastructural development.

INFORMATION AND TECHNOLOGY

With the Fourth industrial revolution and artificial intelligence taking over the world, as someone who is always ahead of time, Brilliant has an established IT entity called Teacnet which sees a future where all markets are dominated by tech companies and work hard to accelerate this process. Teacnet helps agile minded people to succeed in technology challenges. It helps technology-based companies to be flexible, adaptive and mobile in the fast-changing world. Teacnet believes in coming up with innovative ideas to deliver excellence in service delivery. Moreover, understands the criticality of each piece of data in today's world and in the next generation hence Teacnet was born to give its expertise in the world of Big Data.

THOKWAS

Thokwas is a fully fledged skills development institution that offers training to individuals on long- and short-term insurance and after training and graduating these individuals are later dispatched to the Kingdom Blue Franchises.

The company strives at circumventing the South African employment which is on the rise with each passing day. Unemployment rate according to Stats SA is currently sitting at 32.7% in the country and through Thokwas, Dr Brilliant is filling in for the country's populace which is disgruntled thereby leading to social unrest in the country.

EDUCATION

New York College is a progressive private educational institution owned by Dr Brilliant. It is dedicated to academic excellence and holistic development.

The college offers a well-rounded curriculum that combines strong academic foundations with practical skills, creativity, and critical thinking. With a commitment to nurturing future leaders, New York College provides high-quality education from early learning through to high school, delivered by passionate educators in a supportive and inclusive environment. It is located in Nkayi and the college has modern facilities, state-of-the-art classrooms, and a range of extracurricular programs that promote innovation, leadership, and personal growth. Our students are encouraged to explore their potential, engage with their communities, and pursue academic and personal excellence. New York College stands as a beacon of educational opportunity, preparing learners to thrive in a dynamic and ever-changing world.

INVESTMENT

In the African tradition, a man's wealth is measured by the number of cows he owns. It is for this reason that Brilliant came up with Ubhalu Investment which is a cattle finance institution. It serves as a leverage to people who cannot afford to buy cattle through once off cash and carry payment strategy. At Ubhalu investment, one can buy cattle through instalments which makes it easier for people to purchase their desired livestock without financial constraints.

SECURITY

FBI Protection is Dr Brilliant's established security company. It provides security solutions to a broad range of clients across South Africa. It takes pride in employing an intelligent approach towards security and protection where they address each client's unique security needs on a case-by-case basis and devise a tailor-made solution factoring in different scenarios and each client's individual circumstances.

FBI Security is a trusted name in elite security solutions, offering specialised services in private investigations, executive protection, and high-profile escort operations. The company is known for its discretion, professionalism, and rigorous operational standards. Whether handling sensitive cases or ensuring the safe movement of VIPs, FBI Private Security delivers peace of mind through unmatched expertise, confidentiality, and tactical excellence.

FBI guards are licensed, and are trained and supervised around the clock, therefore providing clients complete peace of mind. Whether for corporate clients or while ensuring protection for high-profile events or individuals, FBI has the expertise and systems in place to allow you to get on with your day-to-day routine.

From FBI's senior management team to supervisors and guards, the core values, diligence, reliability and professionalism form the backbone of approach to service delivery. If you require a professional security company in South Africa, look no further than FBI Protection.

AMAWOSO

After working normal to long hours at work, the body deserves to detox and refresh. By giving birth to Amawoso which is a braai franchise Dr Brilliant, manages to help the citizens to distress by going out with family and friends to spend some time bonding and refreshing the mind.

SPORTS

Nkayi United Football Club is more than just a soccer team, it is Dr Brilliant's brain child and acts as a beacon of hope, unity, and community pride. Owned and passionately supported by visionary leadership, the club nurtures local talent and inspires the youth through sport. Competing with determination and heart, Nkayi United FC is on a mission to uplift the region through the power of football, discipline, and teamwork.

MINING

Octopus Mines is a resource-focused company operating within the mining and mineral development sector, with a strategic emphasis on the identification, acquisition, and development of high-potential mineral assets. The company is structured to advance scalable mining projects through disciplined exploration, efficient operational planning, and investment-ready project development. Its core focus is on unlocking mineral value through sustainable extraction practices, technical optimization, and strategic partnerships across the mining value chain.
